Media education and language awareness in Berlin and Europe

Info from July 2007

Dear colleagues and friends,

I've been wondering what the best way to stay in touch is. I especially want to offer new ideas for a media educational interested audience and I have decided to join the different newsletters into one (in English only) and issue it four times a year. I hope you find this helpful and will contribute your ideas and experiences. Please mail me your news for the next autumn issue.

Greetings from Berlin,
Armin Hottmann
